

Westside Elementary

Safe Routes To School Public Workshop

Come share your thoughts on improving walking and bicycling opportunities for students of Westside Elementary School. The County's consultant will present background information and findings related to implementing the National Safe Routes to School program at the school. Take advantage of this opportunity to share your ideas and provide valuable input into the planning process.

Tuesday, May 31, 2011, 6:00 PM

Luter Family YMCA, 259 James Street
Smithfield, VA
