

# Town of Smithfield

## Request for Proposals

### Sanitary Sewer Rehabilitation

### Laterals, Gravity and Force Mains

**PURPOSE:** The Town of Smithfield, Department of Public Works is requesting proposals from qualified contractors for the rehabilitation of sanitary sewer lines in the Town of Smithfield.

**SCOPE OF WORK:** The scope of work shall include but not be limited to the following:

- Provide labor and equipment to clean and CCTV the sanitary sewer lines prior to lining.
- Provide labor and equipment to install CIPP or Ultraliner Liner. The work shall include traffic control and bypassing and post TV.
- All active laterals shall be reinstated internally using robotic cutters.
- Existing lift station cannot be shut down. Bypass will have to be setup upstream of sanitary sewer lines to be lined.
- Provide a before and after DVD. Video clips shall be listed by manhole numbers on gravity mains and by address on laterals, (manhole numbers will be provided by the town).

The proposal shall have an itemized cost break down per line item:

- 4" Lateral CIPP, per LF
- 6" Lateral CIPP, per LF
- 4" Lateral Ultraliner, per LF
- 6" Lateral Ultraliner, per LF
- 6" pipe, clean and CCTV, per 100 LF
- 6" CIPP, per 100 LF
- 6" Ultraliner per 100 LF
- 8" pipe, clean and CCTV, per 100 LF
- 8" CIPP, per 100 LF
- 8" Ultraliner per 100 LF
- 10" pipe, clean and CCTV, per 100 LF
- 10" CIPP, per 100 LF
- 10" Ultraliner per 100 LF
- By-passing from manhole to manhole, per day
- By-passing of pump station, per day

The Town of Smithfield will provide metered water for pipe cleaning and installing liners. Property (private or public) that is damaged during construction shall be landscaped, repaired or replaced to meet or exceed original condition at the contractor's expense. The work shall be completed in accordance with current edition of the Hampton

Roads Regional Standards. The Town of Smithfield will retain the right to perform the by-passing and to extend the contract with the successful contractor for up to four additional years for similar system rehabilitation work in the town.

The contractor shall provide the town, residents and businesses the dates the work is going to be performed and estimated completion date a minimum of 5 days prior to the work beginning. Contractor may be required to provide a performance bond for the work involved with this contract.

**PROPOSAL SUBMISSION:** All proposals MUST be submitted according to the attached Proposal Response Format. *Failure to sign and return application (including exception page) will result in proposal being deemed non-responsive.*

**QUALIFICATIONS OF OFFERER/CONTRACTOR:** The Town may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Town all such information and data for this purpose as may be requested. The Town reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Town further reserves the right to reject any bid/proposal, if as the evidence submitted by, or investigations of, such offeror fails to satisfy the Town that such offeror is properly qualified to carry out obligations of this contract and to provide the services and/or furnish the good contemplated therein.

**SUBCONTRACTORS:** The Contractor's attention is called to the requirement that not more than fifty percent (50%) of the work shall be subcontracted and the amount of any subcontractors proposed by the contractor in excess of ten percent (10%) of the proposal price shall be identified.

**INVOICES:** Detailed invoices shall be submitted to Town of Smithfield by the 15<sup>th</sup> of each month. All invoices over \$10,000 require Town Council approval.

**PROPOSAL CONFERENCE:** There will be a *mandatory* pre proposal conference at Department of Planning, Engineering and Public Works located at 310 Institute St., Smithfield, Virginia on **Wednesday, April 9<sup>th</sup> 2014 at 10:00 a.m.** to answer any questions or concerns the contractor may have.

**DELIVERY INSTRUCTIONS:** Sealed proposals subject to the conditions and instructions contained herein must be received by **12:00 Noon on Wednesday, April 30<sup>th</sup> 2014** at 310 Institute Street, Department of Planning, Engineering and Public Works. Attn: William T. Hopkins, III.

Please direct all questions concerning this proposal via email by **April 24<sup>th</sup> 2014**, to Sonja Eubank at [seubank@smithfieldva.gov](mailto:seubank@smithfieldva.gov).

*\* Interviews with select firms will be scheduled.*
