Also, Town Engineer Wayne Griffin wanted to pass along the following note to everyone: "Thank you so much for your prayers and thoughtful consideration during the time of the passing of my mother (Beatrice L. Griffin). In times like these having caring and concerned friends around you eases the loss of those you love. Once again, thank you" from Wayne.

Health insurance and dental benefit bids were received April 1st. The dental bids were accepted however the health/optical bids were rejected. This has been re-bid and the new deadline for submittals is 11:00 a.m. on April 19th after our special budget meeting.

Lastly if you were not able to attend our first employee Health & Wellness Lunch and Learn event Monday but you wish to participate in our "Biggest Loser" contest you may still sign up with Tracy James until the end of the work day on Monday, April 12th.
