

Important Good to Know Messages

The Town of Smithfield does not allow any item to be placed outside the Refuse Container for pick up except during special events such as Spring Cleanup Days. So just keep in mind, if it is not in the container it will not be picked up and should be taken to the many area convenience centers which are free to all county residents or you may also hire someone to remove items for you. Bay Disposal does offer this service, however there will be a charge that you will be responsible for, along with setting up an appointment with them for pick up.

If you have questions, they can be reached at 757-857-9700.

The town has a recycling container at 223 Washington St., which is the old VFW across from the Smithfield Library. These items will have to be separated and placed individually into the container. Items excepted are plastics, cardboard, and glass.

Recycling is also available at the 8 local convenience centers. These items can be combined together and dumped.

See the Isle of Wight County website for locations and items allowed.

If you need a new container, just call Bay Disposal 757-857-9700. There is no charge for new containers, they just ask that the old container be accessible for pick up when they deliver the new one.
