

Responsible Land Disturber (RLD) Certification

Isle of Wight County is required to ensure that the person responsible for carrying out the land disturbing plan (site plan) provides the name of an individual holding a certificate of competence who will be in charge of and responsible for carrying out the land- disturbing activity. The Virginia Department of Conservation and Recreation (DCR) issues the Responsible Land Disturber Certification. Individuals certified by DCR as an Inspector, Plan Reviewer, Program Administrator or Combined Administrator, and individuals licensed in Virginia as a Professional Engineer, Land Surveyor, Landscape Architect or Architect, are also qualified.

Owner/Agent /Contractor

- Install E&S measures and have them inspected before breaking ground.
- Clean mud and dirt from construction entrance areas daily.
- Maintain silt fences throughout entire land-disturbing activity.
- Stabilize all disturbed areas with permanent seeding and straw mulch.
- Final inspection on E&S is due before issuance of Certificate of Occupancy.
